

Every Voice Counts !

Empower the Sikh Community...Register to Vote !

Registering to vote helps raise awareness about who Sikhs are and the issues that concern them at the local, state and national level.

School boards, city councils, state legislatures and even the U.S. Congress will be more open to addressing the needs of the Sikh community on daily basis.

Go to www.sikhcoalition.org and follow the simple instructions to register or tell us you are registered. Even if you are not a citizen, stand up and be counted. In as little as 10 minutes you can make sure that "Every Voice Counts" !

The first ever national Sikh voter registration and empowerment drive can only be a success with your help. By becoming a part of the democratic process, Sikhs can take a historic step forward in the United States. Include information about your gurdwara when completing the online form. Gurdwaras with the most participation can win prizes including visits from state and national government officials. See web site for details.
